Before the Event

Check your Design plan is valid

Upload designs & test print quality

Apply WebApp branding skin

Order pods (1 week ahead); Have a spare Pod during the event

During the Event

Required power
(100-240V/50-60Hz/5A/60 Watt)

Use wired internet

Use commercial-grade coffee machine

For Cocktails, use Ripples Foamer and fine strainer

Create silky smooth micro-foam as canvas

Selfie photo station - verify good frontal light + printed WebApp QR code

After the Event

Clean the machine & remove pods

Clean drip cup, dry and store in trolley

That's a wrap!

Your guests enjoy their Ripples, your brand gets noticed!
