

Start making waves with ripples!

MOBILE APP VERSION 2.0

NEW FEATURES

Now you can upload custom designs permanently to the Ripples Cloud with the Ripples app! Add designs and customize your Ripple Maker's content channels, now available through your mobile device!

Private Locations- Choosing to connect to a Private Location removes your location from being searched in the Ripples App. If you wish to hide your location please talk to us at support@drinkripples.com

Your email or password is incorrect

LOGIN

Lets you save Ripples to your content channels or to send to mobile queue

Or
[Go to private location by ID](#)

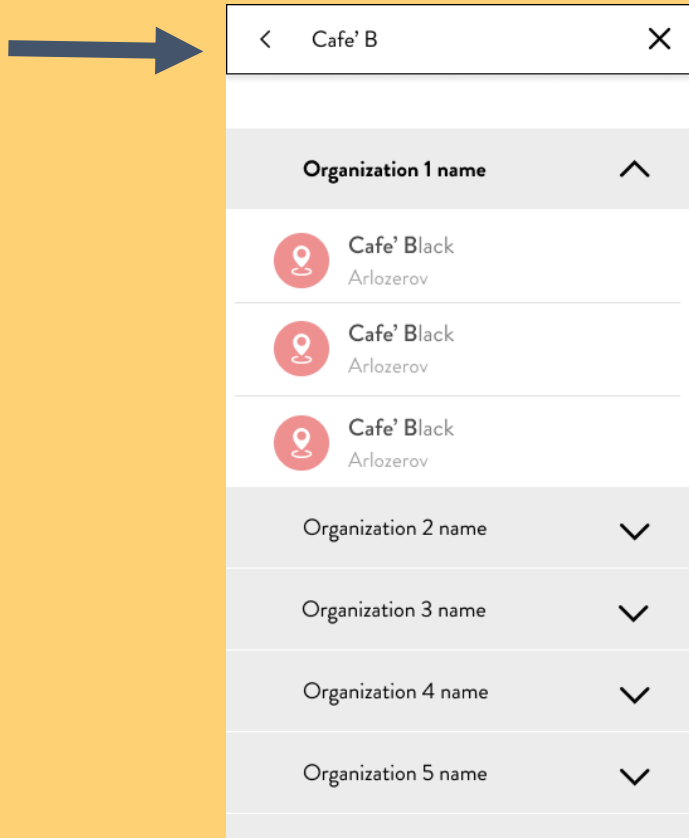

[Need an account? >](#)

Use your Ripples Cloud User email and password to login to your location.

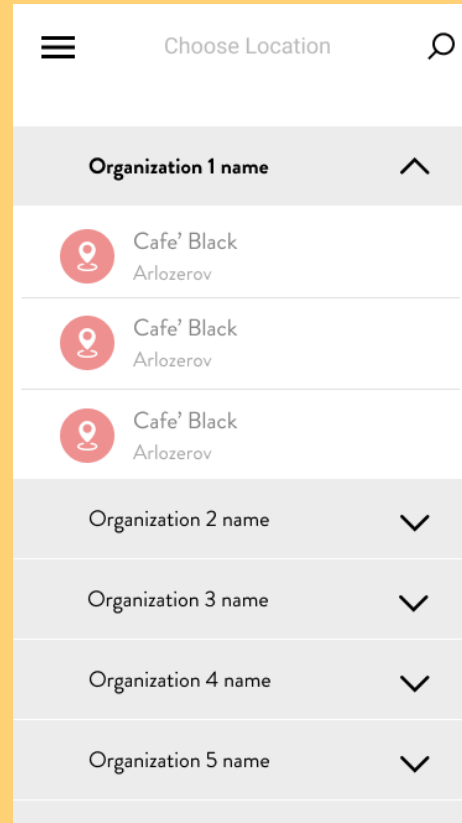

If you don't have a user, please reach out to us at support@drinkripples.com

SELECT LOCATION

Search Location

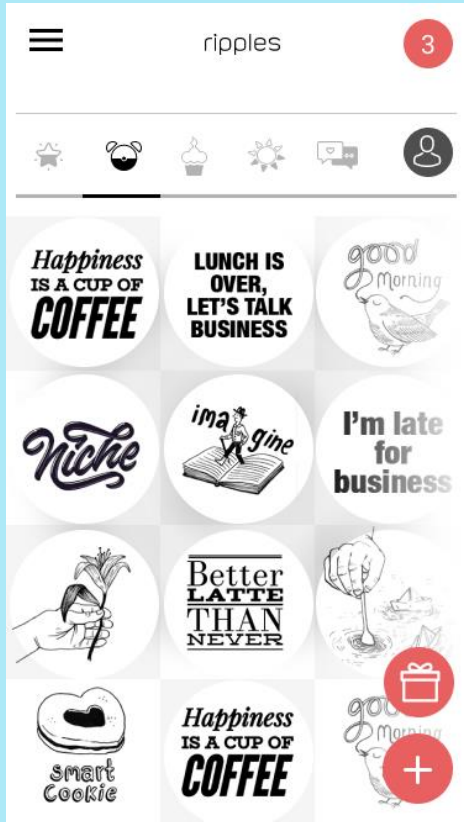

Select location

Select which org and which location you wish to add a new design to.

You will only be asked to choose a location if you have more than one organization/location.

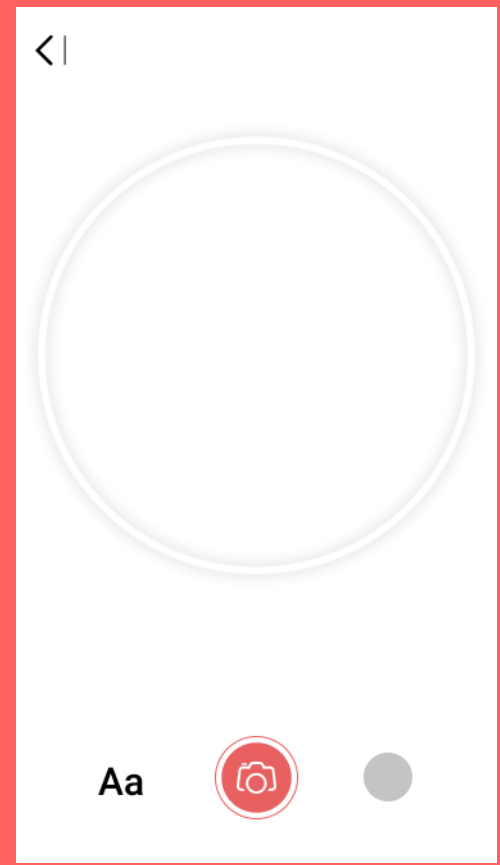

MAIN PAGE

Open the menu to switch locations or to logout.

CREATE A NEW DESIGN

Create text or image or photo

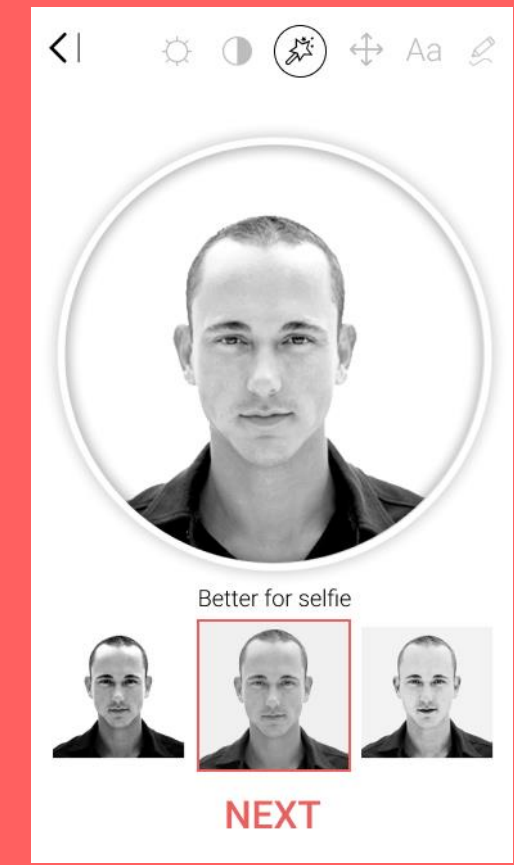

Create text Ripple

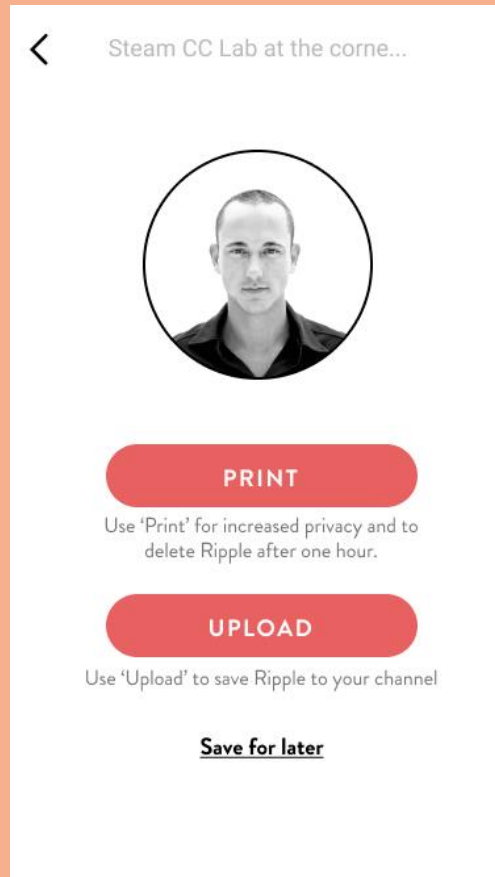

OR

Create image Ripple

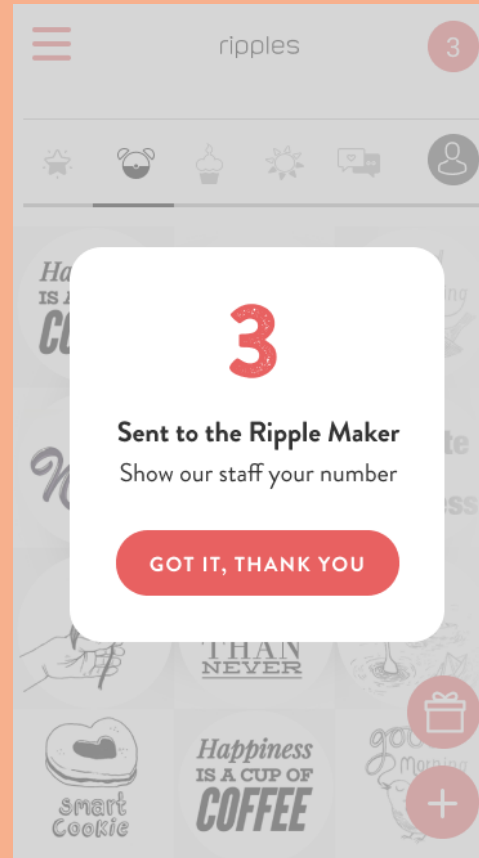

SEND TO MOBILE QUEUE

Tap
Print

Mobile Queue
Number

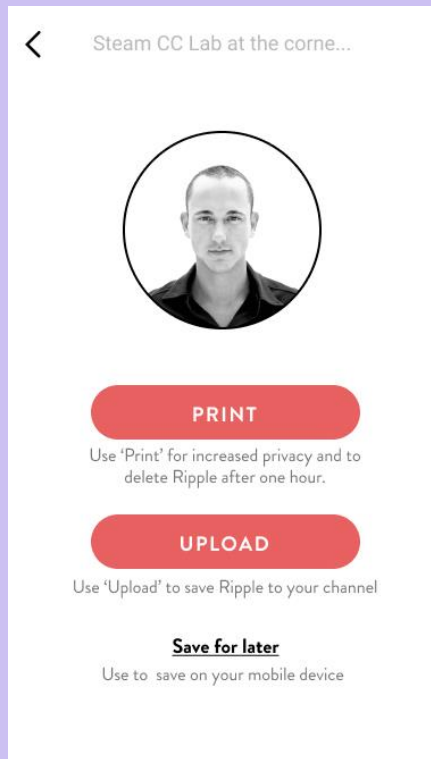

Print = Send to Mobile queue

Note the change, now you will be asked to print or to upload the new design.

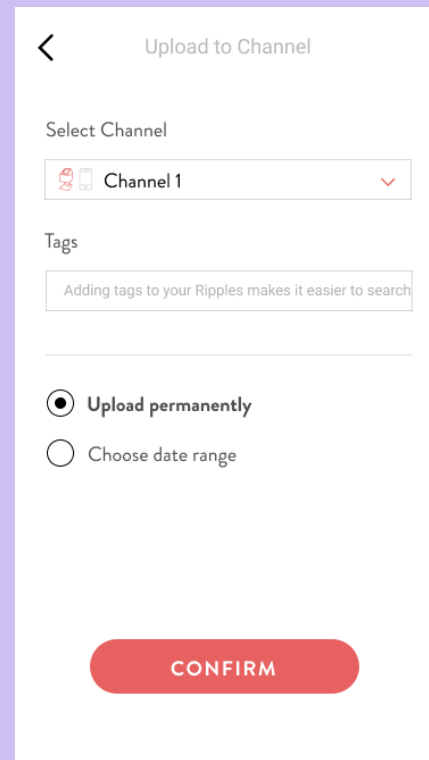

Printing sends the image to the mobile queue.

UPLOAD TO CHANNEL

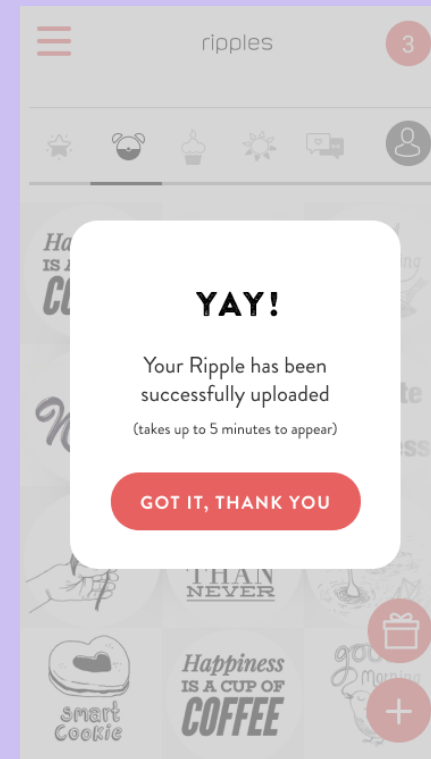

Tap
Upload

Select
Channel

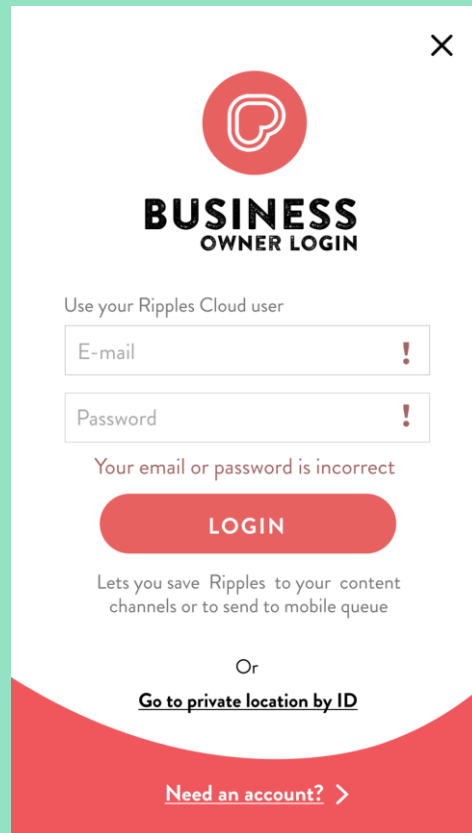

YAY! Your new design has been
uploaded permanently to the
Ripples Cloud!

[Need an account? >](#)

Private Location

Location ID !

Location ID is incorrect

LOGIN

Allows you to print in Private location using the app

[Need an account? >](#)

Choosing to connect to a Private Location removes your location from being searched in the Ripples App. If you wish to hide your location please talk to us at support@drinkripples.com

If you were connected to a private location before the update you will be required to re-enter your location Id provided to you by support.

NOTES

Uploaded design will display in Ripple Maker after 5 min

Only Ripples Cloud users can upload content to channels

Location ID will not save after upgrade

Upload permanently - is for 5 years

THANK YOU
