

THE RIPPLES CLOUD

Manage all your designs at all your locations on the Ripple Maker and the Ripples App. (including the Ripples Web App)

Login in at www.my.drinkripples.com

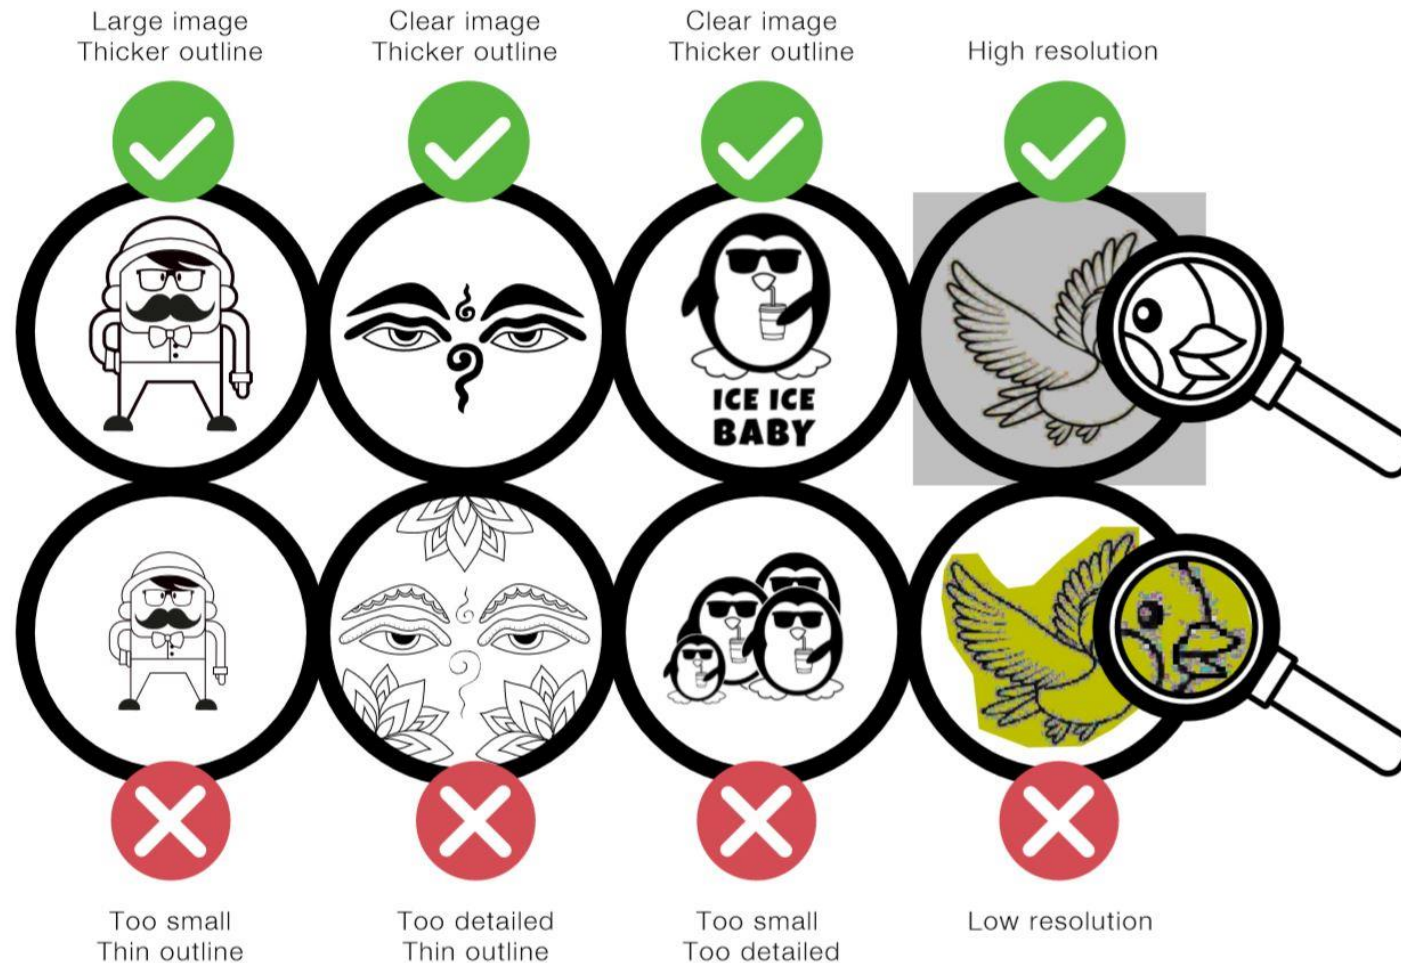

If you don't have a user or need help logging in please contact us at support@drinkripples.com

DESIGN GUIDELINES

Follow these tips to create the highest quality designs.

- JPG or PNG
- 600 DPI Grey scale
- 1700x1700 pixels

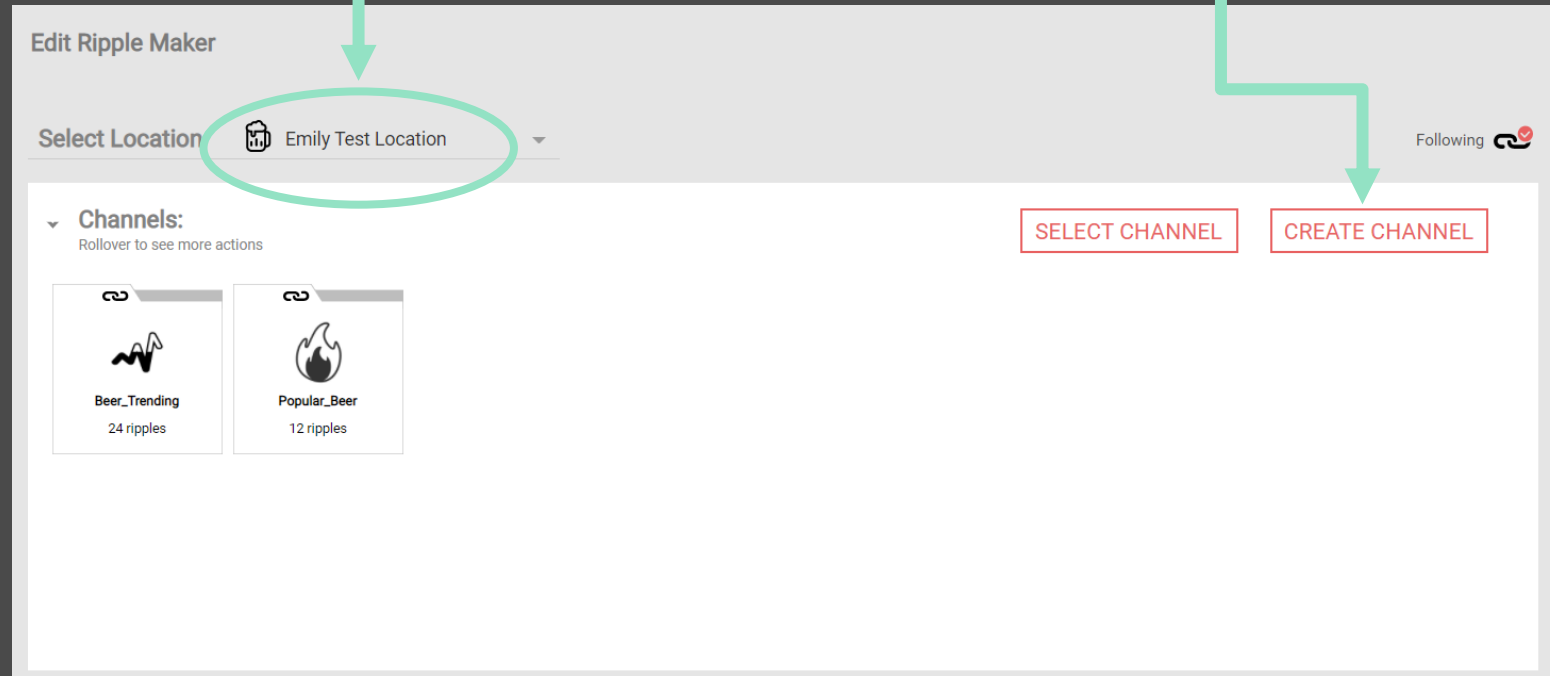

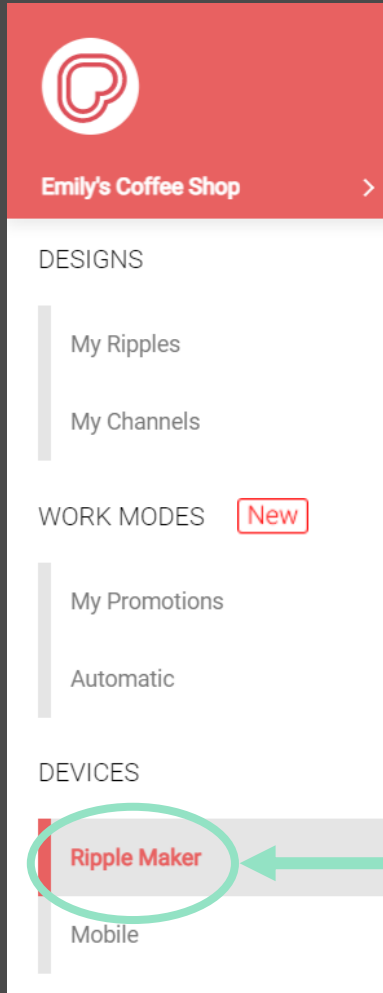

DEVICE MANAGEMENT

A dashboard showing what locations have on their devices

1. Under “DEVICES” click “Ripple Maker” or “Mobile” depending on which device you wish to manage.

2. Select which location you wish to add/edit designs

3. Add your custom designs by clicking “CREATE CHANNEL” or add previously made channels by clicking “SELECT CHANNEL”

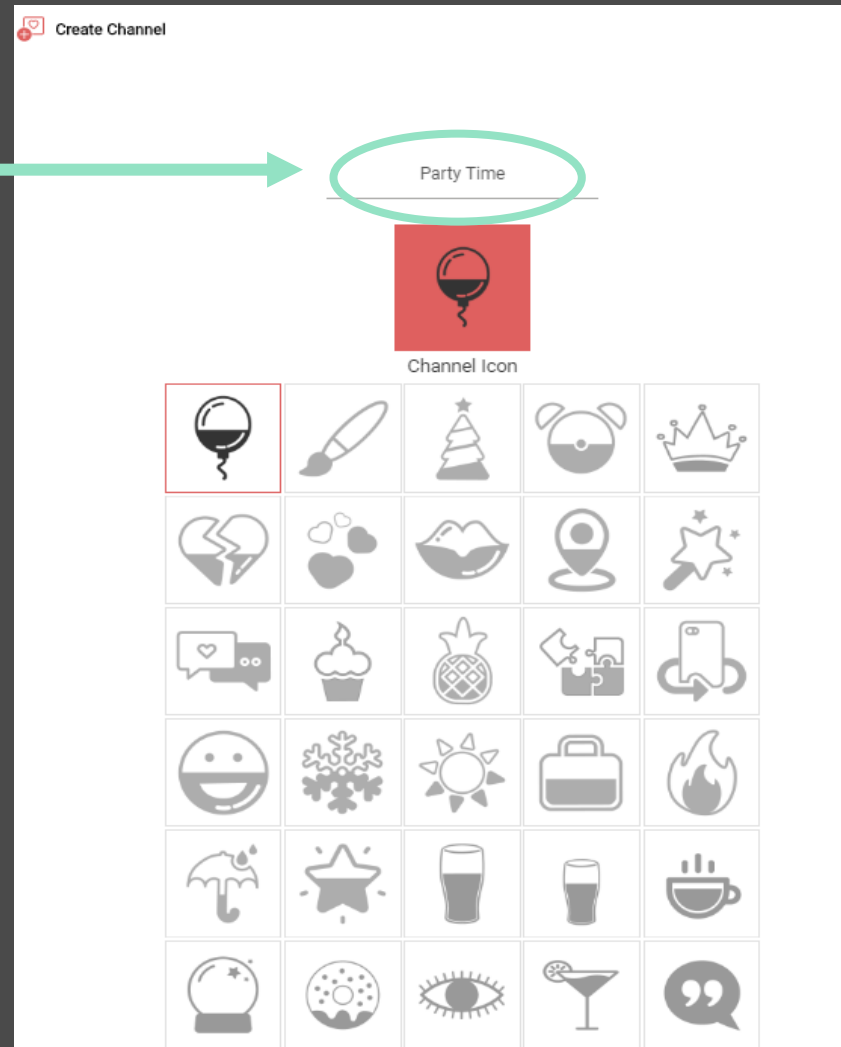

Here you can see all **channels** that have been published on your Ripple Maker or Mobile app. Click on each channel to see the designs inside.

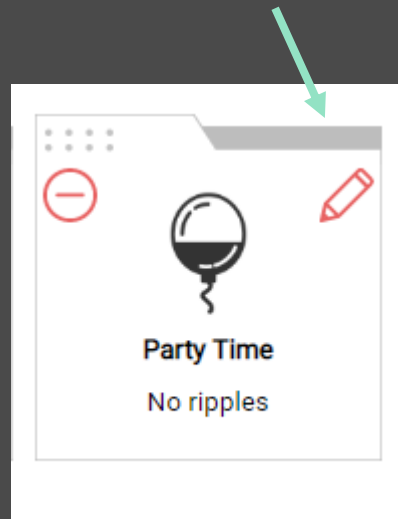

CREATING A NEW CHANNEL

The first time you upload new designs you must create a new channel

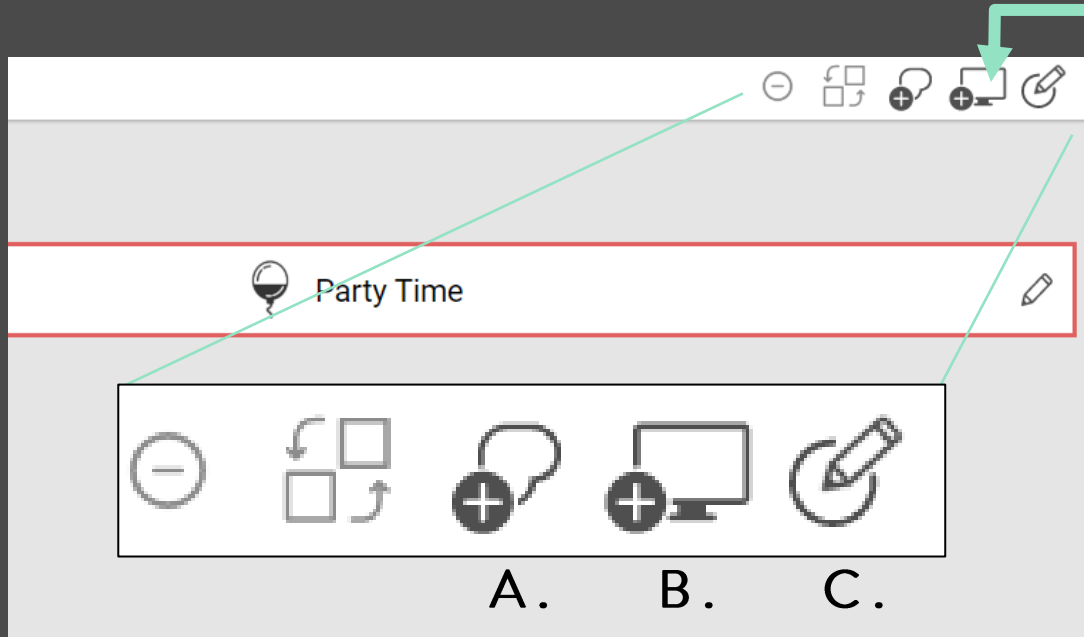

5. After clicking “CREATE CHANNEL” select an icon and name your new custom channel

6. Click the pencil icon to add new designs

ADDING NEW DESIGNS

7. You can start adding new designs by clicking the “Upload Ripples” button in the top right hand corner.

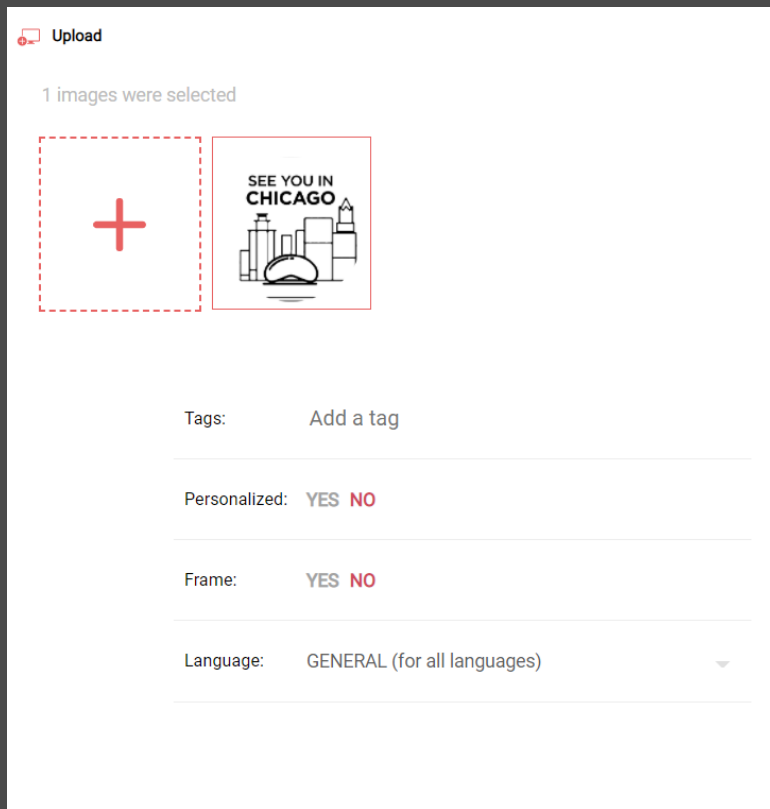

A. Select Ripples from previously uploaded designs

B. Upload images from your computer

C. Create new Ripples (allows you to resize) great for images that haven't been resized to 1700x1700 pixels

UPLOADING NEW DESIGNS

8. Click the “+” to start uploading. Select only .jpeg or .png files. Images should be 1700x1700 or they will be resized when uploaded. We recommend [Canva](#) to quickly resize images

Upload

1 images were selected

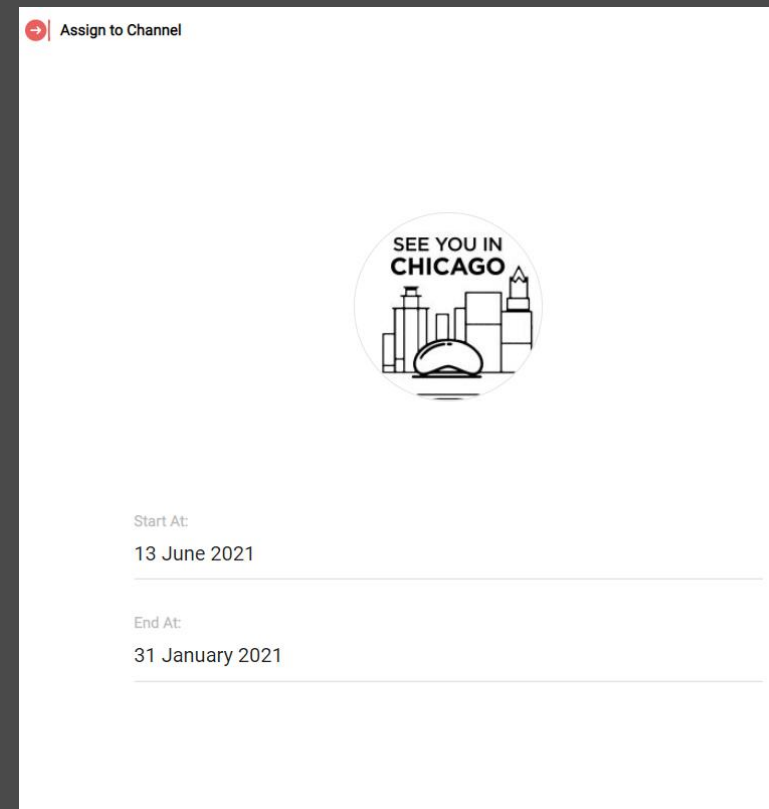

Tags: Add a tag

Personalized: YES NO

Frame: YES NO

Language: GENERAL (for all languages)

9. Select the dates and click “ASSIGN TO CHANNEL” it should take about 30 minutes to sync to your Ripple Maker.

Assign to Channel

Start At:
13 June 2021

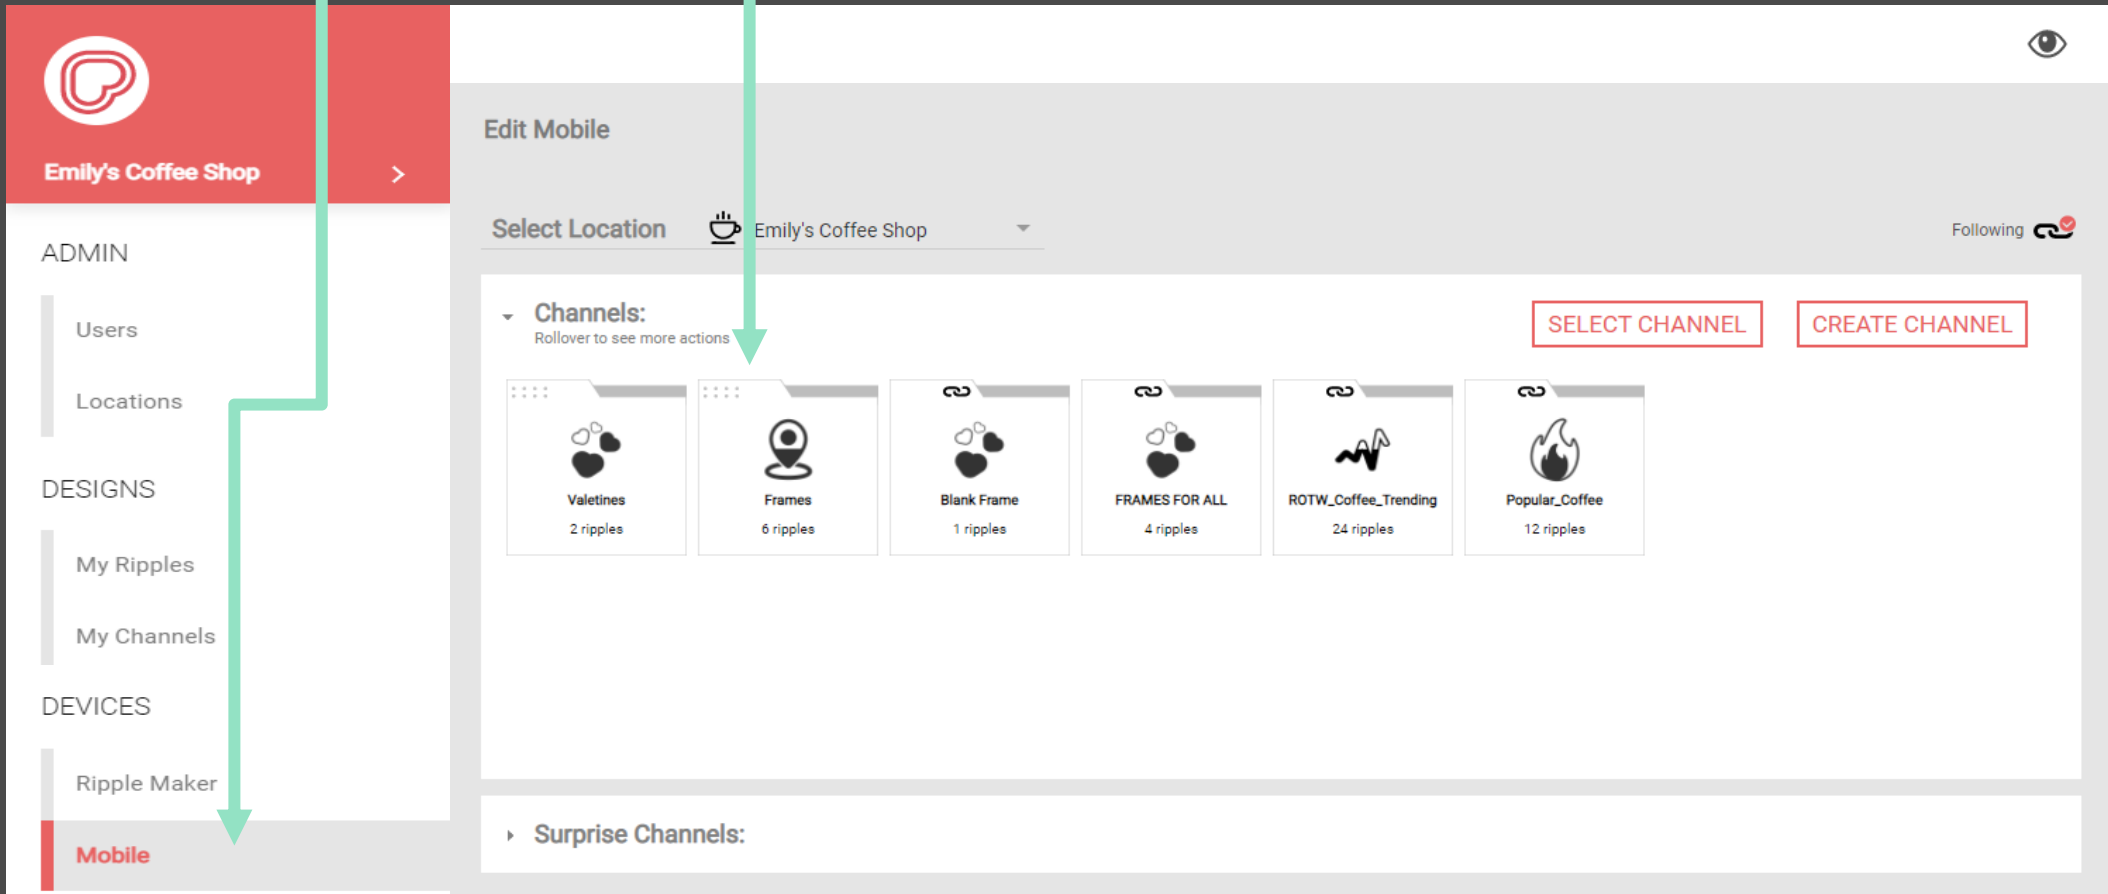

End At:
31 January 2021

ADDING CUSTOM FRAMES

Frames can be added to images sent to the mobile queue

1. Under “DEVICES” click “Mobile”

2. Create a channel just for frames

The screenshot shows the Ripples mobile interface for 'Emily's Coffee Shop'. The left sidebar has a red header with the Ripples logo and the shop name. Below the header are sections for ADMIN (Users, Locations), DESIGNS (My Ripples, My Channels), and DEVICES (Ripple Maker, Mobile). The 'Mobile' option is highlighted in red. The main content area is titled 'Edit Mobile' and shows 'Select Location' as 'Emily's Coffee Shop'. Below this is a 'Channels' section with a rollover menu and two buttons: 'SELECT CHANNEL' and 'CREATE CHANNEL'. The 'Channels' section displays six channel cards: 'Valetines' (2 ripples), 'Frames' (6 ripples), 'Blank Frame' (1 ripple), 'FRAMES FOR ALL' (4 ripples), 'ROTW_Coffee_Trending' (24 ripples), and 'Popular_Coffee' (12 ripples). A green arrow points from the 'Mobile' option in the sidebar to the 'Frames' channel card. Another green arrow points from the 'Mobile' option to the 'CREATE CHANNEL' button.

ADDING CUSTOM FRAMES

3. When uploading frames click “YES” under ‘Frame’

Upload

3 images were selected

Tags: Add a tag

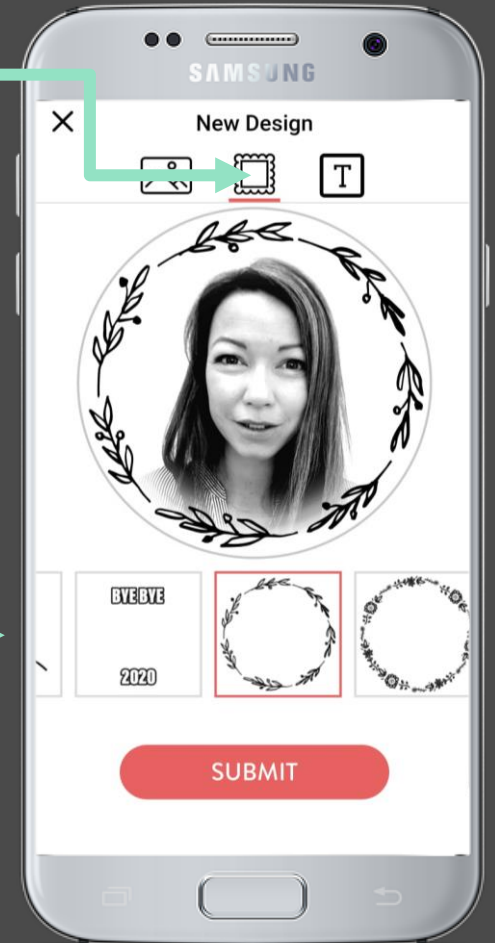

Personalized: YES NO

Frame: **YES** NO

Language: GENERAL (for all languages)

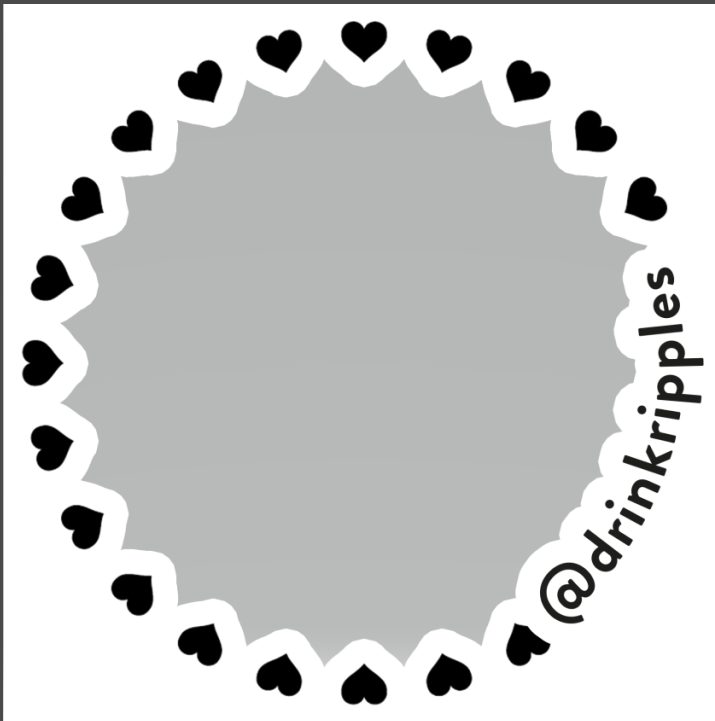

Add frames when sending mobile images. Frames are a great way to extend your branding!

4. Your newly uploaded frames will appear here in the Ripples Mobile app, in about an hour

SAMPLE CUSTOM FRAMES

Frames should .png graphic, 1700x1700 pixels with a transparent area with enough space for a photo or text .

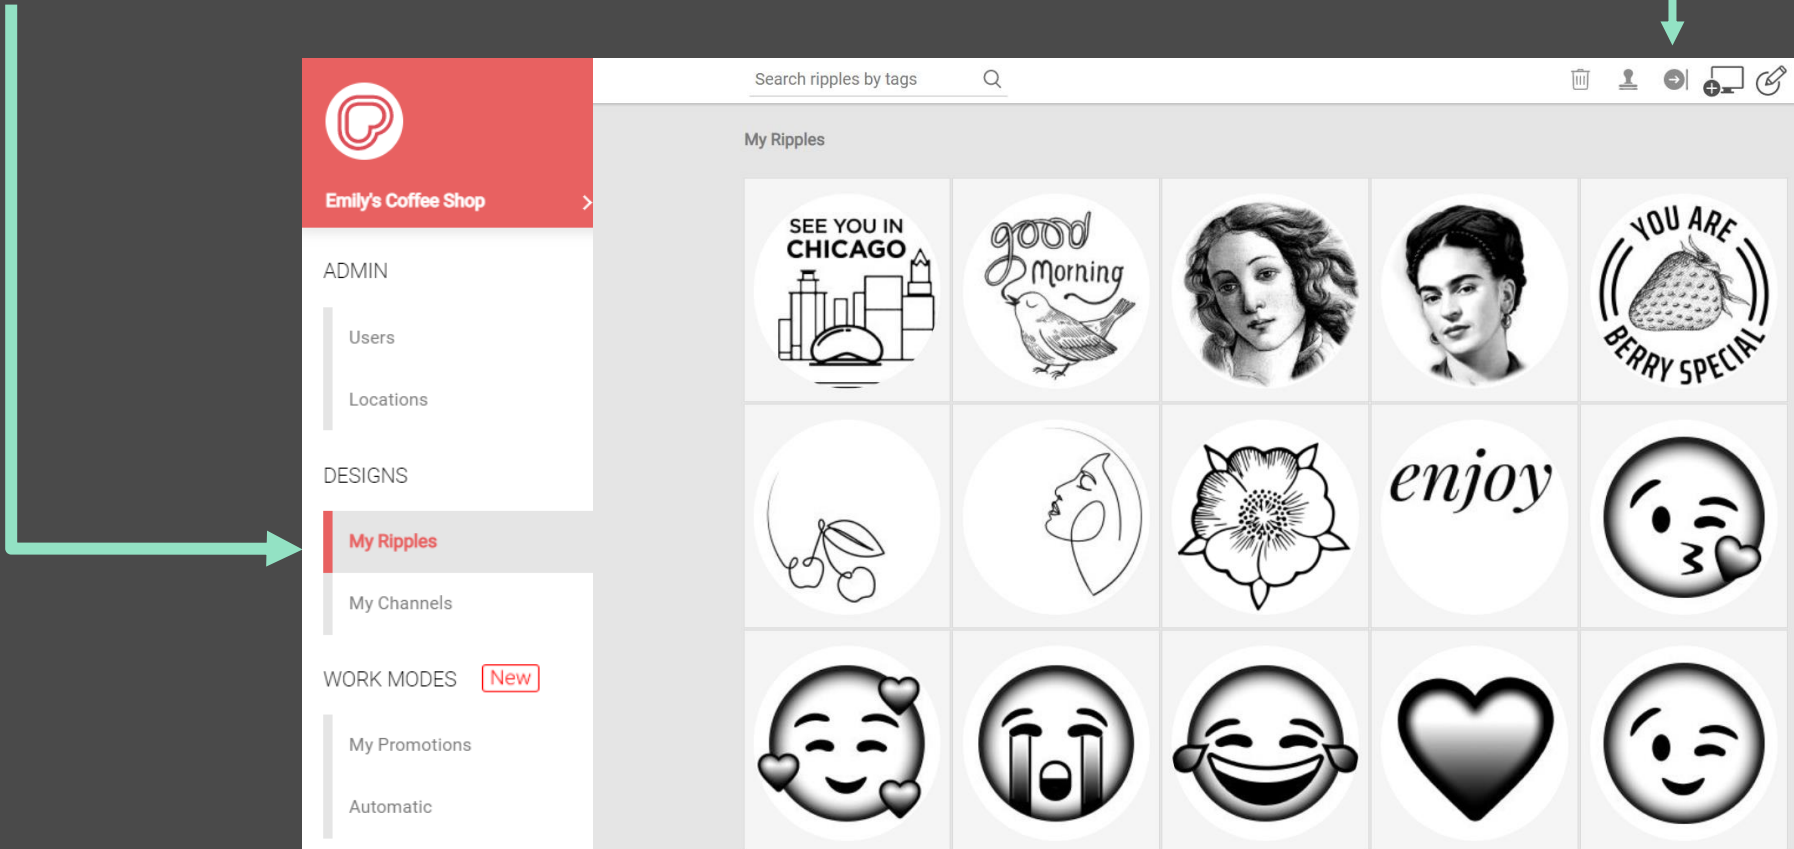

MY RIPPLES
